(1)	2	1

Place
1
3
2

In Group play, Groups A & B play to determine playoff qualifiers, and all three groups play for seedings

Quarterfinal brackets were created to reward regular season seedings

For example, if teams qualify for the playoff rounds in the same seedings as they finished the regular season, then Seed One would play Seed Eight in the quarterfinals, Two will play Seven, etc. Of course, upsets along the way do occur...

AWAY	HOME	DAY	TIME	COURT
